

Dear Members:

Join us for a day at the Paw Sox Sunday, June 7th game time 1:05 PM. Not only will your club and family members enjoy a fun day, but many of your friends can also. Many clubs have in the past purchased tickets and passed them on to local youth groups. What a great way to promote lionism at it's best. Can we count on your support again this year.

PLEASE fill out the form below and enclose your check for the total number of tickets you wish to purchase. We are asking all clubs to consider a purchase of 25 tickets, you may purchase more if desired. Tickets are \$6.00 per. After receipt of payment tickets will be mailed to you.

The entire District 33-A Sight-Hearing Fund officers and members thank you for your support.
